

Technical Instructions

Ryan X. Charles
Blockchain University
Tokyo, Dec. 19, 2015

Ryan X. Charles
Founder of Datt (datt.co)
twitter.com/ryanxcharles
github.com/ryanxcharles

Code Samples and Slides at:
github.com/ryanxcharles/blockchain-university

Software for Demos

- Use either Linux or OSX. If using Windows, create an account on terminal.com and create a Linux VM
- Install git
- Install node.js 4.2.x
- Clone my blockchain-university repo
(github.com/ryanxcharles/blockchain-university)
- Type “npm install” inside that directory
- You can now run the samples in bin/*
